

Promoting Excellence. Inspiring Achievement

Teacher Appreciation Week May 2-8, 2010

Westford Public Schools (WPS) is doubly blessed with a forward-thinking faculty and an enthusiastic Education Foundation. What better way to recognize both than a donation in the name of your teacher, counselor, teacher's aide, school nurse, staffer or principal to the Westford Education Foundation (WEF)? WEF will notify each teacher or staffer of your donation made in their honor with a card expressing your appreciation. It is a perfect way to say Thank You and support innovation in Westford schools. Money generated from these donations will be used to fund grants for the Westford Public School system.

The card will include you and your child's name, but will not indicate the amount of the donation. If you choose, WEF will provide you the card to complete yourself. Classrooms are encouraged to work together to increase the value of the donation!

The Westford Education Foundation is an independent, non-profit organization that promotes excellence in education. We fund grants to teachers, staff, and the community for innovative educational initiatives, professional development, and life-long learning ventures.

Visit our website at www.WEFWeb.org for more information on the programs we have funded in your schools. In addition to granting nearly \$100,000 to WPS, WEF also awards a scholarship to a deserving graduating senior from Westford Academy to pursue a career in education. Please join our generous Partner-Sponsors in making our classrooms and faculty examples of leading edge innovation.

**Complete this form and mail with your donation (one check, please, for all cards) to:
